Welcome to Contracts OnLine

This site is for US customers only.

Contracts OnLine is a new service for end-to-end contract transactions on the web. Using an Internet browser, you can search for contracts, view, print or download, track status and view processing history as well as perform tasks such as review, approve and sign contracts on line.

This service is currently offered to selected IBM customers and business partners as a limited-time pilot to evaluate user acceptance and collect feedback and suggestions for future enhancements. Contracts OnLine is powered by On Demand Electronic Contract System (ODECS) technologies developed by IBM Research.

Please note: all transactions entered into using the Contracts OnLine service are subject to the IBM standard terms and conditions applicable to the type of product or service purchased.

The IBM Customer Agreement will prevail over any terms and conditions in any purchase order issued by you.

If you have any questions or need assistance regarding Contracts OnLine, please contact our Customer Support OnLine team at 1-877-504-8930. Our hours of operation are: Monday thru Friday, 8:00 am - 8:00 pm EST.

Please read the Transaction Document above carefully and print and store it for your records. Although the Transaction Document above specifies that you and IBM must sign it, you agree that by clicking on the "accept" button below, you have read the Transaction Document and agree that the complete agreement between us about this transaction consists of (1) this Transaction Document, and (2) the Agreement referenced in it, and that such acceptance will be the equivalent of your signature on this Transaction Document. You also agree that you are authorized to execute this Transaction Document for the legal entity on whose behalf you are accepting this Transaction Document. You will receive an online confirmation from IBM when IBM accepts this Transaction Document.

Note that when you click the "I accept" button, IBM is not committing to perform the services described in the Transaction Document until IBM has sent you a notification that IBM has Counter signed the Transaction Document.

The IBM Customer Agreement will prevail over any terms and conditions in any purchase order issued by you.
